Summer 2025

President's Message

Lori Paximadis

As summer gets underway, I just want to say thank you for your confidence in me as your new president. I'm looking forward to a great club year ahead! Please remember to fill out the interest form. We use this information to fill committees and plan events for the upcoming year. You can find it here: <https://forms.gle/vaYoEjqyFtVYA8HCA>.

Watch your email for information about watching the Summerfest parade, featuring our own Kathy Yarian, and volunteering to help in the Youth Association's hot dog and beer tents.

Have a wonderful, relaxing summer!

A Message from Rosanne

Rosanne Kelley

We ended the year on a positive note with the Installation Dinner at Houlihan's. We have a new board that looks so happy and proud. I was so pleased to see two of our newest members becoming officers. Once again, thanks to the entire club for a wonderful four years. It would not have been possible without all your support and hard work. I hope everyone has a wonderful summer and look forward to seeing many of you at city events.

Seasonal Plant Sale

May 1 – June 30

Ellen Papadimoulis & Nancy Shucofsky

We're partnering again with Dean's Greenhouse (2984 Porter Road in Westlake) for a walk-in spring plant fundraiser. FPWC will receive a 20% refund for *any Dean's purchases* (other than gift cards) from May 1 through June 30. Before you check out, just ask them to credit FPWC for the sale. Go as often as you'd like. Thank you for helping us fund scholarships and community needs with your purchase!

Wine Tasting Event

Saturday, February 21, 2026

Sally Lisowski & Diane Faile

We have a theme! As next year is our nation's 250th anniversary, FPWC will be one of the first to celebrate it! We are going with a "From Sea to Shining Sea" theme. Thank you to Mary Jane for suggesting this, and members seem to like it very much. Anne Durno then suggested having US places represented on the tables, another great suggestion. We'd love to have each member "adopt" a table or two, and let us know if you have a site to recognize (Anne has already claimed Mt. Rushmore!). You might keep this in mind if you'll be doing any summer traveling. Send us an email and we'll keep track of what's been "claimed." Even if you only have one item to add to a table's theme, that would be great. One more thing, we don't want to concentrate on American flags all over the room — there will be plenty of that approaching July. While we will have some red, white, and blue, we want to concentrate more on the country's diverse scenery and beauty. An idea to title our event is "Sipping from Sea to Shining Sea." If there are any other suggestions for this, feel free to let us know.

We have agreed on a division of labor of sorts for the 2026 event. Sally will head up the silent auction, while Diane will be the general chair of the wine tasting portion. As partners in this for many (too many?) years now, we will continue to work together on it all, but we **MUST** have assistants for all the planning in areas such as decorations, the auction, as well as just general event coordinating. Please consider this as you decide how to be involved in the coming year and let us know. Thanks, and have a great summer!

Community Service

Helping Hands

Robin Munoz

It is great feeling to help others and no one does that better than the Fairview Women's Club. For the 2025–2026 year our monthly organizations will be listed in our Black Book. It's a privilege to chair the committee. Thank you for allowing me to be the person who sees the smiles and hears the "Thank you!"

Marion Cook Education Grant

Barb Gillmore & Ellen Papadimoulis

The Marion Cook applicant met the age (at least 21) and residency (Fairview Park) requirements. While at Fairview High School, she completed a Polaris Career Center training program, receiving a State Tested Nursing Aide (STNA) certificate. Shortly after graduation, she began working full-time as a STNA at a nursing home facility, where she is presently employed.

She now wishes to become a licensed practical nurse (LPN) and has been accepted into the Polaris Career Center Practical Nursing Program. She writes that she has had a passion for nursing since her “youth.” While overcoming serious family hardships, she has also gained valuable experience working in geriatric health care. This has further inspired her interest in the Polaris 11-month practical nursing program. The applicant was originally awarded \$1,514, which was the full balance owed to Polaris, but she let us know that she received other funds and needs only \$814. The remaining \$700 will go into next year’s Marion Cook budget.

We are very happy to award this scholarship.

High School Scholarships

Lori Paximadis

It was an honor to go to Fairview High School on May 14 and present scholarships to four of our five recipients. Our recipients are:

Maxwell Edwards (FHS): \$1,500
Nicole Giang (FHS): \$1,500
Chloe O’Neil (FHS): \$1,000
Grace Bostwick (FHS): \$1,000
Brandon Schneider (Lutheran West): \$1,000

Thank you all for your hard work this past year, which enabled us to help these kids take a step into their future.

Impromptu Events

Kathy Yarian

One last call for those who may be interested in taking a jewelry-making class at Deby's Designs. Based on what I've heard so far, it should be held on an evening or weekend. The class lasts about two hours and costs \$50. At this point, I assume it will have to be scheduled in June. Let Diane know if you're interested.
